#### About LOCASH

According to many music industry insiders, 2015 is shaping up to be the year for LOCASH. The duo has enjoyed hits with songs such as "Keep In Mind" and "The Best Seat In The House," and have written such hits as the chart topping "You Gonna Fly" for Keith Urban and "Truck Yeah" for Tim McGraw. They have built their brand through live performances, as well with appearances on some of the most prestigious stages in the world, and have shared stages with acts ranging from Tim McGraw to Kiss. Their music has received over ten million views on YouTube, and they are known as one of the hardest working acts in the music business today. But, the best is yet to come for the duo of Chris Lucas and Preston Brust now simply known as

LOCASH, having just recently inked a new deal with Reviver Records, a new Nashville label. Find LOCASH on the web at <http://www.locashmusic.com/>, on Facebook at [www.facebook.com/locashmusic](http://www.facebook.com/locashmusic) and on Twitter @locashcowboys.
